

REMARKS / ARGUMENTS

In the office action dated 06/28/2005 the Examiner indicated that the application is in condition for allowance except for formal matters, so that prosecution as to the merits is closed in accordance with Ex parte Quayle. Per the request of the Examiner the subject matter that was previously added to paragraph 5 of the specification has been cancelled. The errors in the previous amendment of claim 1 have been corrected. The claims that were previously labeled as "withdrawn" have now been cancelled.

For the reasons stated above applicants respectfully request the examiner to allow the claims as amended and to pass the application to issue.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Lonnie R. Drayer", is written over a horizontal line.
